Re: *The City of New York v. EnviroMD Group LLC, et al.*, Case No. 24-5161

Dear Judge Woods:

This Office represents Plaintiff the City of New York (the “City”) in the above-referenced matter.

This Court previously stated that “[g]iven that three separate motions to dismiss are anticipated, the Court will consider any requests from the parties to consolidate any portion of the briefing in order to conserve the parties’ and the Court’s resources and time.” Sept. 12, 2024 Order (ECF No. 69). The City plans to file a single memorandum of law in opposition to the Defendants’ three separate motions to dismiss. As such, the City respectfully requests a 30-page extension to the 25-page limit for the City’s opposition memorandum of law. The City notes that a single 55-page memorandum of law contains fewer pages than three separate 25-page memoranda combined, thereby conserving the Court’s resources and time. The City’s opposition is due on October 18, 2024.

Thank you for your attention to this matter.

Respectfully submitted,

/s/ Alexandra Jung
